Chapter 1 by Andorno W

A tall man with a bushy beard was sitting in a rocking chair in front of the fireplace. He had a fresh Daily News issue in his arms. A small piece of coal was burning down in the fireplace. An outsider could think that the man was reading the newspaper. However, his eyes were immovable. The man was dead. —by Andi

Duang、duang、duang, the door was opened. A young man came in."Where am i",he whispered. And then, he found a man sitting in the chair. Shoked ,he opened his mouth ,that man just had a totally same face as his father.But father has been dead for four years. Fear、astonishment、miss, he cried. Next second, he felt that he was sitting in a chair and watched a crying face,looked like himself in the mirror just suffering father's death, eyes on the face with fear、astonishment、miss...he could understand everything.

Then he falls down and wakes up.That is so bad the feeling was so strong,he thought he faced his future. —by Andorno
